BBELS TEEN ACTIVITY PROGRAM

** July and August **

IMPORTANT – Many activities are outdoors. Thus we are exposed to cancellations due to bad weather conditions. In the event that an excursion is to be cancelled due to bad weather, we will re-schedule the outing for another day. Additionally, if weather forecasts suggest that bad weather is a possibility, we may bring the excursion forward one or two days to enable it to proceed before the bad weather arrives. BBELS reserves the right to change the schedule at any time, to ensure all activities are provided in the best conditions for students' enjoyment and for variable group sizes.
